

ACCEPTANCE PROCESS

Following the completion of interviews, the ASPMF Selection Committee will review each applicant before making the final admission decisions. Applicants will receive notification of the admission determination from the Office of Admissions.

To secure a position in the upcoming cohort, selected applicants must submit a letter accepting the admission offer along with a non-refundable deposit to MTSA within ten (10) business days. Failure to complete these tasks by the deadline will result in the forfeiture of the offered position. In such cases, MTSA reserves the right to offer the vacant position to an alternate applicant.

If an applicant decides to withdraw after paying the non-refundable deposit, the deposit is forfeited.

Acceptance into the program is contingent upon the satisfactory results of the background check.

WAITING LIST ACCEPTANCE

Applicants who are not selected during the interview process will be placed on a waiting list and may be considered for admission if a vacancy becomes available.

DENIED

Applicants who are not granted acceptance will receive written notification and remain eligible to apply for future Fellowship cohorts.
