

# CLINICAL SITE LIST

## CRESTWOOD MEDICAL CENTER

Huntsville, AL

Crestwood Medical Center, a 180-bed acute care hospital, offers a range of surgical services in almost every medical specialty. They are a recognized Blue Distinction Center+ for Bariatric Surgery and Spine Surgery. Coordinated by Rachel Foy and John Martin, who will graduate from the fellowship in 2025, Crestwood offers fellows the opportunity to learn anesthesia techniques for orthopedic and ortho-spine procedures.

## CRYSTAL CLINIC ORTHOPAEDIC CENTER

Akron, OH

Crystal Clinic Orthopaedic Center is a physician-owned orthopedic hospital comprised of 12 outpatient clinics and two surgical locations throughout Northeast Ohio. More than 15,500 surgeries are performed at the Crystal Clinical surgical centers each year. Tyler Neff is the clinical coordinator at this site where fellows learn essential regional anesthetic techniques for orthopedic patients.

## FAIRCHILD MEDICAL CENTER

Yreka, CA

Fairchild Medical Center (FMC) offers primary and specialty services including medical, surgical, orthopedic, emergency, obstetrical, pediatric care, and other specialties. Jon Wilton, a fellowship graduate, is the clinical coordinator and provides education in ultrasound-guided transitional pain techniques.

## NORTON HEALTHCARE

Louisville, KY

Norton Hospital is a 605-bed hospital is regionally recognized as a leader in the areas of minimally invasive and cancer surgery. The hospital also has achieved a Center of Orthopedic Excellence designation from DNV for knee and hip replacement, shoulder surgery, and spine surgery. Clinical coordinators, Ben Sampedro and Evan Reagan, both graduates of the Fellowship, ensure that fellows receive tailored experiences to refine their techniques with truncal blocks.

## REPUBLIC PAIN SPECIALISTS

Bryan, TX

Republic Pain Specialists is a chronic pain clinic offering pain management techniques for chronic low back and neck pain, cervical and lumbar pain, chronic headaches, long-term COVID symptoms, as well as other chronic pain conditions. David Gaskin, CRNA, NSPM-C, CPT USAR, is the clinical coordinator and offers over two decades of experience providing professional anesthesia services across all patient populations.

## SSM HEALTH BONE AND JOINT HOSPITAL AT ST. ANTHONY

Oklahoma City, OK

SSM Health Bone & Joint Hospital at St. Anthony is dedicated to providing comprehensive orthopedic surgical solutions to patients, ranging from simple to complex cases. As one of the leading orthopedic hospitals in the United States, they offer a wide range of services, including hip and knee replacement, spine surgery, pain management, sports medicine, worker's compensation, arthroscopic procedures, foot and ankle surgery, hand surgery, and robotic surgery, among others. The Bone and Joint Hospital at St. Anthony is a Center of Excellence for total joint replacement and is a CRNA-only hospital-employed group.

Patrick Myer, DNAP, CRNA, is the Chief CRNA at the hospital as well as the clinical coordinator. He completed the Fellowship in 2018 as part of the program's first cohort. At the Bone & Joint Hospital, fellows will learn how to comprehensively manage patients throughout the perioperative phase.

The ASPMF reserves the right to add or remove clinical sites.
