

MISSION & PURPOSE

MISSION

The MTSA Acute Surgical Pain Management Fellowship embodies a set of goals and competency-based objectives as desired components of advanced education and training in acute surgical pain management. MTSA is committed to the ongoing development and delivery of acute surgical pain management interventions. Through an innovative and comprehensive curriculum, Fellows will utilize evidence-based interventions in order to facilitate optimal patient outcomes.

PURPOSE

The focus of this Fellowship includes the management of pain in the perioperative setting for patients across the lifespan who are undergoing inpatient or outpatient surgical procedures.
