

PRAYER REQUESTS

"Reflecting Christ in Anesthesia Education" is a goal that MTSA strives to uphold. As an institution founded with an educational philosophy rooted in the understanding that God is the Creator of the universe and humankind, and he sent his Son to restore a relationship with each of us, MTSA acknowledges the importance of dedicated prayer.

"Therefore, confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effectual." James 5:16

For many years, MTSA has had a prayer board posted in the primary classroom where the first-year class meets. Additional opportunities to share praise and burdens through prayer have been made over the years, including a private Prayer Request box and an online Prayer Board.
